Residential Lease Agreement – Unit A-203

Contract No. LSE-A-203

Parties

Landlord: PropPilot Demo Properties Co., acting through its property manager (the "Landlord").
Tenant: Ahmed Al-Otaibi (the "Tenant").

The property

Unit A-203 on floor 2, a 1-bedroom apartment of 88 sqm in Palm Residence, Olaya District, Riyadh (the "Property").

Term and rent

The lease starts on 1 November 2025 and ends on 31 October 2027 (the "Term").
The monthly rent is SAR 4800, payable in advance on the first day of each month.
The parties agree as follows.

1. Rent and payment

The Tenant shall pay the monthly rent of SAR 4800 in advance, on or before the first day of each month, by bank transfer to the account the Landlord names in writing.

A payment counts as made on the day it reaches the Landlord's account. The rent stays the same during the Term except as the clause on term and renewal allows.

2. Security deposit

On signing, the Tenant pays a security deposit of 1 month of rent, which is SAR 4800.

The Landlord holds the deposit as security for the Tenant's obligations and pays no interest on it. The Landlord returns it within 30 days after the Tenant hands back the Property, less any unpaid rent and the cost of damage beyond normal wear.

3. Term and renewal

The lease runs for the Term stated at the top of this agreement. Unless one party gives the other written notice of non-renewal at least 90 days before the Term ends, the lease renews automatically for a further 12 months. The rent for a renewal period may rise by no more than 5% of the previous rent.

4. Notice period

A party that wants to end the lease at the end of the Term, or to propose changes to it, shall give the other party at least 90 days' written notice. Notice is given by registered letter delivered to the Property or by e-mail to the address the receiving party has given in writing, and it counts from the day it is received.

5. Late payment

Rent that has not been received 5 days after its due date carries a late fee of SAR 75 for each day it remains unpaid, counted from the end of that grace period.

The late fee does not limit the Landlord's other remedies for non-payment.

6. Maintenance and repairs

The Tenant pays for minor repairs and routine upkeep inside the Property, up to SAR 500 for each repair, such as light bulbs, tap washers, filters and door handles.

The Landlord pays for structural repairs and for major repairs of the building and its plumbing, electrical and air-conditioning systems, and for any repair above that amount unless the Tenant or a guest of the Tenant caused the damage. The Tenant shall report any defect to the Landlord promptly.

7. Pets

The Tenant may keep a pet in the Property only with the Landlord's prior written consent.

The Landlord may withdraw its consent if the pet disturbs the neighbours or damages the Property.

8. Early termination

The Tenant may end the lease before the Term ends by giving the Landlord at least 60 days' written notice and paying an early termination fee of 3 months of rent, which is SAR 14400.

The lease then ends on the last day of the notice period, and rent stays payable until that day. The Landlord may end the lease early only for a serious breach by the Tenant that is not put right within 15 days of written notice.

9. Subletting

The Tenant shall not sublet or assign the Property or any part of it, or share it with anyone who is not named in this agreement.

10. Use of the premises

The Property is let for residential use by the Tenant and the Tenant's family only. The Tenant shall not run a business from the Property or allow more than 2 persons to live in it. The Tenant shall keep the Property clean and in good order and shall follow the rules of the building.

11. Inspection and entry

The Landlord may enter the Property at reasonable hours to inspect it, to carry out repairs or to show it to a future tenant, after giving the Tenant at least 24 hours' notice. In an emergency, such as a fire or a water leak, the Landlord may enter at once.

12. Governing law

This agreement is governed by the laws of the Kingdom of Saudi Arabia. The parties shall first try to settle any dispute in good faith. If they cannot, the courts of Riyadh have jurisdiction.
